Dear Teacher:

\_\_\_\_\_ is scheduled to participate in our next belt promotion. His or her eligibility is determined by a variety of factors, including his/her behavior and effort in school. At Klamath Family Tae Kwon Do we teach the principles of **Black Belt Excellence**. Not only do students train to become black belts in martial arts, but they also strive to become academic black belts and eventually, corporate black belts or black belt employees. We use black belt as a metaphor for personal excellence. In order to monitor our students' progress towards these goals, we respectfully request that you **complete the form on the back of this page** and add appropriate comments.

**If our students do not meet these qualifications either at home, in school, or at the Do Jang, we will hold their promotion until there has been satisfactory improvement. Please explain any negative comments.**

Thank your for your cooperation,

Vince Church,  
Master Instructor

**Dear Teacher:**

Please fill in the appropriate letter grade and any comments regarding our students performance and behavior in your class. If your school *does not* give letter grades, use **S** for *satisfactory*, or **U** for *unsatisfactory*. Circle **Yes** or **No** denoting whether you believe our student should receive his/her belt promotion.

Thank you for your time.
